

# SUNOSI® Temporary Savings and Voucher Program\*

In response to the recent cyberattack on Change Healthcare, Axsome Therapeutics, Inc. has a Temporary Savings Program to help you access SUNOSI if eligible and commercially insured.

Please show the SUNOSI Temporary Savings Card or Voucher information on your phone at the pharmacy or provide them with the BIN, PCN, GROUP, and ID#s. [Activation is not required.]

## Eligibility and Usage

This program is effective as of March 7, 2024, and will remain in effect until standard operations at Change Healthcare are fully restored. At that time, we will revert to the savings cards and vouchers available on our branded webpages. The temporary savings card and voucher provided are available for use by eligible commercially insured patients at pharmacies throughout the United States.

You can use the voucher along with a valid prescription to redeem 30 free tablets of SUNOSI from your pharmacist.
